SUBJECT

SUBJECT

To provide fully vetted, trained, disciplined & Dedicated Guarding & Housekeeping Personnel (Civilian/Ex-servicemen) Solutions as Value Added Service.

Dear Sir

It is our pleasure to have an opportunity to share with you the details of our model used, key benefits & methodology to generate Your trust and confidence in **BHAVYA PRIDE SECURITY GROUP**

For "Total Quality Commitment" We have strong operation team of Guarding Personnel with full of Passion along with highly experienced quality control managers, Mobile Field Officers and Patrolling Supervisors suitable equipped with communication network

Our team impeccably uniformed, suitably equipped and will supervised. They are responsible to create safe and secure environment. Our Company's Policy. "We commit to secure your today & tomorrow" summarises our organization vision, commitment and dedication to our business and you.

We look forward to collaborating with you to support your performance objectives. For a non obligatory meeting between us or any other information needed, please contact undersigned. We will be pleased to assist you right away

Working towards a vision of turning knowledge to action

ELECTRONIC SURVEILLANCE SYSTEM

ELECTRONIC SURVEILLANCE SYSTEM

With an impeccable track record of security services since 2008 we have diversified into electronic security solutions. No security arrangement can be complacent without fortifying the premises with electronic security alarm systems incorporating infrared sensors, magnetic contacts, panic switches, pressure mats, cameras, CCTVs, DVRs, metal detectors, fire detectors, access control systems, biometric locks, audio & video door phones etc. Thousands of homes & commercial establishments have installed, variety of security alarms as per your local requirement. Our team of experts shall guide and advise you in the process of appropriate selection and combination of alarms

ALLIED SERVICES

KEEPING SERVICES

Over the years and under constant demand by elite clients our area of operation has spilled over to housekeeping services. We undertake special corporate contracts whereby we provide house-keepers with or without material. Our services include cleaning & dusting of cupboards, furniture & fixtures, cleaning of toilets with necessary disinfectants and fresheners. By providing quality house-keeping services we ensure clean environment and surroundings.

PARKING SERVICES

After an initial car-parking contract with a prestigious institute in New Delhi, we have now expanded our services into the car park management area. The standards we offer ensure that our service is cost effective and tailored specifically to our customer needs. Our staff is courteous and trained to diffuse behavioral incidents of routine nature. Our quality services on this front have attracted other multinational and up-coming organizations to give us their car-parking contracts. We strive to be innovative, proactive and responsible in methods we employ in the management of our operations. We can customize a variety of parking management arrangements. e.g. valet parking, paid parking etc. Depending on the requirement of the client.

PLACEMENT

We have risen out of your need for skilled personnel. Our placement service spares no effort to provide the right personnel within stipulated time. You get to choose from a vast reservoir of experienced and skilled personnel for your requirements without bothering about their screening and verification. Which we undertake prior to entering profiles in our data bank. We can undertake large recruitment drives too, on account of your vastly accrued databank, from a broad spectrum of profiles built up over the year.

CONTRACT LABOUR

Whether it is a trade-show or you have a sudden surge in orders, we compliment your business by providing articulate and efficient contract labour which can get you out of tough labour which can get you out of police and other relevant government departments. Above all we ensure payment of salary to our personnel in time. We handle deadlines as well as the hassles of appointing permanent labour for temporary requirements. Our organization is covered under the ESI & EPF and we have our own code numbers. We ensure that they adhere to it. Our network of branches ensures a healthy rapport.

INTEGRITY

We are committed to the highest standards of ethical and professional behaviour and endeavour to instill universally recognized and accepted core values of proper conduct in all our employees

TEAMWORK

We operate as coordinated body of collective wisdom and experience. Everyday our employees strive to discover and implement cohesive solutions to challenges by using the best minds we assemble

RESPECT

We honour the rights and beliefs of societies, our customers, our employees and our community We treat others with the highest degree of dignity equal opportunity and trust. We respect the cultures and beliefs of people around the world

ACCOUNTABILITY

We act ethically and legally as we work to meet our Contractual commitments we take responsibility for our behaviour and our performance: are accountable

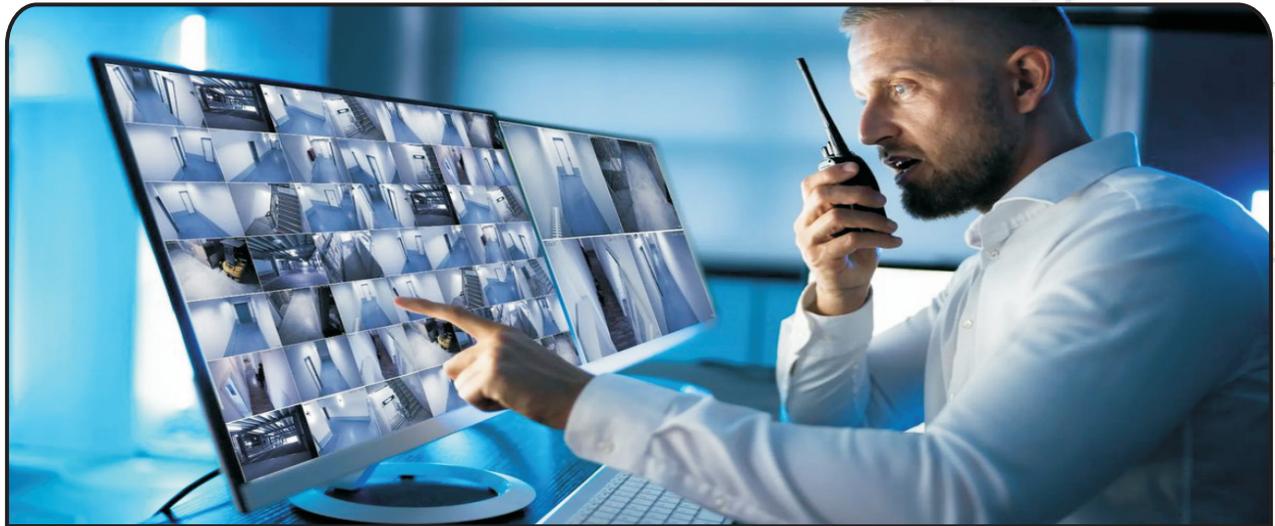

EXCELLENCE

We meet or exceed all professional and contractual expectations and obligations. We strive to deliver superior quality products and services on time and under budget. Our employees are dedicated, loyal and honorable.

EFFICIENCY

We create value with limited resources everyday. Our employees create exceptional products and services in response to specific customer

CENTRAL MONITORING STATION

24 HOURS CENTRAL MONITORING STATION AND RAPID RESPONSE TEAM

We are one of the few security agencies in the country that provides a 24-hour alarm monitoring station service which is not only highly effective and reliable but also very economical. The electronic security alarm system, in conjunction with our Central Monitoring Station (CMS) and Rapid Response Team (RRT) protect your family & assets the global way. Our CMS and RRT are operational 24 hrs. a day, 7 days a week & 365 days in a year on the lines of a police control room.

A state-of-the-art computerized facility, manned by highly skilled and trained personnel, receive distress signals through telephones / Mobile transmitted from the digital connector attached to the electronic alarm system installed at the client's facility. Immediately on detecting intrusion our alert staff dispatched the RRT vehicle comprising of armed guards.
